The New York-New Jersey Trail Conference is a volunteer-powered organization that builds, maintains, and protects public trails. Together with our partners, we strive to ensure that the trails and natural areas we share are sustainable and accessible for all to enjoy for generations to come. Our organization is supported by nearly 10,000 members and 2,400 volunteers who donate over 100,000 hours of labor annually. Your support is vital to our mission, as sales of our publications further our organization's work in the areas of land conservation, trail maintenance, environmental advocacy and eradicating invasive plants in the surrounding lands. Our mission to you is to provide the highest quality of customer satisfaction.
